

Material Safety Data Sheet

SECTION 1: Product and Supplier Identification

Product Identifier: Amyris Essential Oil

INCI/ Name: Amyris balsamifera

CAS No.: 90320-49-3

Product Use: Fragrance, cosmetic ingredient, aromatherapy, personal care formulations

Origin: west Indies

Supplier: Botanic Planet Canada Inc.

Address: 2 Bram Court Unit # 3 Brampton Ontario L6W 3R6 Canada

Phone: 905-455-4444

Email: info@botanicplanet.ca

Emergency Contact: (613)-996-6666 CANUTEC 24 HOUR EMERGENCY

Section 2: Hazard Identification

GHS Classification

Skin Irritation – Category 2

Skin Sensitization – Category 1

Eye Irritation – Category 2B

Signal Word: Warning

Hazard Statements

Causes skin irritation.

May cause an allergic skin reaction.

Causes eye irritation.

Precautionary Statements

Avoid breathing vapors.

Avoid contact with eyes and skin.

Wear suitable protective gloves and eye protection.

Wash hands thoroughly after handling.

Keep out of reach of children.

Section 3: Composition / Information on Ingredients

Component	CAS No.	Percentage
-----------	---------	------------

Section 4: First Aid Measures

Eye Contact: Flush immediately with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.

Skin Contact: Wash thoroughly with soap and water. Remove contaminated clothing.

Inhalation: Move person to fresh air. Seek medical attention if symptoms persist.

Ingestion: Rinse mouth. Do not induce vomiting unless directed by medical personnel. Obtain medical advice if unwell.

Section 5: Fire Fighting Measures

Suitable Extinguishing Media

Dry chemical

Carbon dioxide (CO₂)

Foam

Water spray (for cooling containers)

Hazards

Combustible liquid. Burning may produce carbon oxides and irritating smoke.

Protective Equipment

Self-contained breathing apparatus and full protective clothing.

Section 6: Accidental Release Measures

Eliminate ignition sources.

Ventilate area.

Absorb with sand, vermiculite, or inert absorbent material.

Dispose of according to local regulations.

Prevent entry into drains and waterways.

Section 7: Handling and Storage

Handling

Avoid direct skin and eye contact.

Use with adequate ventilation.

Keep container tightly closed after use.

Storage

Store in tightly closed containers in a cool, dry, well-ventilated place away from direct sunlight, heat, sparks, and open flames.

Section 8: Exposure Controls / Personal Protection

Engineering Controls

Provide adequate ventilation.

Personal Protective Equipment

Safety glasses

Chemical-resistant gloves

Protective clothing where appropriate

Section 9: Physical and Chemical Properties

Appearance: Colorless to pale yellow clear liquid

Odor: Distinct woody odor reminiscent of sandalwood

Solubility: Insoluble in water

Specific Gravity (20°C): 0.950–0.970

Refractive Index (20°C): 1.502–1.512

Optical Rotation (20°C): +15° to +40° (Typical: +20°)

Section 10: Stability and Reactivity

Chemical Stability

Stable under recommended storage conditions.

Conditions to Avoid

Heat, flames, sparks, direct sunlight, and strong oxidizing agents.

Hazardous Decomposition Products

Carbon monoxide, carbon dioxide, and irritating organic fumes during combustion.

Section 11: Toxicological Information

May cause skin irritation.

May cause allergic skin reactions in sensitive individuals.

Eye contact may cause irritation.

Excessive inhalation of concentrated vapors may cause headache or dizziness.

Section 12: Ecological Information

Avoid release into the environment. Large spills may be harmful to aquatic organisms.

Section 13: Disposal Considerations

Dispose of contents and containers in accordance with applicable local, regional, and national regulations.

Section 14: Transport Information

Not classified as dangerous goods for transport in small commercial quantities under most transport regulations. Verify shipment requirements for your destination.

Section 15: Regulatory Information

Comply with applicable cosmetic, fragrance, workplace safety, and transportation regulations in the country of use.

Section 16: Other Information

Storage: Store in airtight containers in a cool, dry place away from direct sunlight.

This product is Niacinamide (Vitamin B3) and is manufactured according to applicable quality standards and specifications. To the best of our knowledge, this product is a high-purity material and does not contain intentional additives, contaminants, or adulterants. The information, analysis, and statements provided herein represent the most current and complete technical information available to Botanic Planet Canada Inc. Users are advised to review all relevant technical data, specifications, and regulatory requirements related to this product prior to use. The information contained in this Safety Data Sheet (SDS) has been obtained from current and reliable sources and is provided for guidance regarding the safe handling, storage, and use of Niacinamide. As the handling and application of this product by users is beyond the control of Botanic Planet Canada Inc., no express or implied warranty or guarantee is made regarding the effects, results, suitability, or safety of any particular use, including any potential damages or injuries arising from misuse or improper application. Botanic Planet Canada Inc. expressly disclaims responsibility for any improper, unintended, or unauthorized use of this product. No statement contained herein should be interpreted as a recommendation, endorsement, or guarantee for any specific application. The liability of Botanic Planet Canada Inc. is limited solely to the value of the goods supplied and shall not include any indirect, incidental, or consequential losses. In the event of any dispute, the customer agrees that jurisdiction shall be limited to the Province of Ontario, Canada.
