SAFETY DATA SHEET (SDS)

Product: OLIVEM 1000

1. IDENTIFICATION

Product Name: OLIVEM 1000

Product Code: O100

INCI: Cetearyl Olivatate, Sorbitan Olivatate

Recommended Use: Cosmetics; cosmetic additive.

Supplier: Botanic Planet Canada Inc.

Address: 2 Bram Court, Unit #3, Brampton, Ontario L6W 3R6, Canada

Website: www.botanicplanet.ca

2. HAZARDS IDENTIFICATION

Classification: This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

Label Elements: No specific hazard label elements required based on the supplied source SDS.

3. COMPOSITION / INFORMATION ON INGREDIENTS

The product consists of **Cetearyl Olivatate and Sorbitan Olivatate**. The source SDS identifies the composition as proprietary and 100% of the product. The exact percentage concentration of the individual components is withheld as a trade secret.

4. FIRST-AID MEASURES

Eye Contact: Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician.

Skin Contact: Wash off immediately with soap and plenty of water.

Inhalation: Remove to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if symptoms occur.

Ingestion: Clean mouth with water and drink plenty of water afterwards.

Symptoms: No information available.

5. FIRE-FIGHTING MEASURES

Use extinguishing measures appropriate to local circumstances and the surrounding environment. Do not use a solid water stream, as it may scatter and spread fire. In a fire, wear self-contained breathing apparatus and full protective gear.

6. ACCIDENTAL RELEASE MEASURES

Ensure adequate ventilation, especially in confined areas. Do not allow material to enter sewers, the ground, or bodies of water. Prevent further leakage or spillage if safe to do so. After cleaning, flush away traces with water.

7. HANDLING AND STORAGE

Ensure adequate ventilation. Avoid breathing vapors or mists. Do not eat, drink, or smoke while using the material.

Storage: Keep unopened in original containers at a temperature between **5°C and 35°C**.

Incompatible Materials: None identified in the supplied SDS.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

The supplied product does not contain hazardous materials with occupational exposure limits established by region-specific regulatory bodies.

Engineering Controls: Showers, eyewash stations, ventilation systems.

Eye/Face Protection: Safety glasses with side shields or goggles.

Skin/Body Protection: No special technical protective measures are necessary under normal handling.

Respiratory Protection: Use appropriate respiratory protection if irritation is experienced or applicable exposure limits are exceeded. Handle in accordance with good industrial hygiene and safety practice.

9. PHYSICAL AND CHEMICAL PROPERTIES

Property	Value
Physical State	Solid
Appearance	Ivory-white flakes, waxy solid
Color	White-Ivory
Odor	No information available
pH	5-7
Melting Point / Freezing Point	65-75 °C
Flash Point	No information available
Evaporation Rate	Irrelevant
Vapor Pressure / Density	Irrelevant
Water Solubility	Dispersible
Solubility in Other Solvents	Soluble

10. STABILITY AND REACTIVITY

Chemical Stability: Stable under recommended storage conditions.

Hazardous Reactions: None under normal processing.

Hazardous Polymerization: None under normal processing.

Conditions to Avoid: Extremes of temperature and direct sunlight.

Incompatible Materials: None.

Hazardous Decomposition Products: None known based on information supplied.

11. TOXICOLOGICAL INFORMATION

No product-specific data are available for likely routes of exposure, sensitization, germ cell mutagenicity, carcinogenicity, or reproductive toxicity in the supplied SDS.

12. ECOLOGICAL INFORMATION

Minimize product release into the environment. The supplied SDS identifies the material as readily biodegradable. Persistence, bioaccumulation, and other adverse-effect data are not available.

13. DISPOSAL CONSIDERATIONS

Dispose of wastes in accordance with applicable regional, national, and local laws and regulations. Do not reuse contaminated containers.

14. TRANSPORT INFORMATION

DOT: Not regulated

ICAO (Air): Not regulated

IMDG: Not regulated

15. REGULATORY INFORMATION

The supplied SDS indicates compliance with the listed international inventories, including TSCA, DSL/NDSL, EINECS/ELINCS, ENCS, IECSC, KECL, PICCS, and AICS. It also states that the product does not contain California Proposition 65 chemicals and is not identified as an acute, chronic, fire, sudden-release, or reactive hazard under the cited SARA 311/312 categories.

16. OTHER INFORMATION

Source SDS Issue Date: 15-Jun-2015

Source SDS Revision Date: 01-May-2015

The information in this Safety Data Sheet is based on the supplied source SDS and is intended as guidance for safe handling, use, processing, storage, transportation, disposal, and release. It is not a warranty or quality specification. The information relates only to the specific material designated and may not apply when used in combination with other materials or processes unless specified.
