

Regulatory & Quality Information

Product Name: Cupuaçu Butter Virgin

INCI Name: Theobroma grandiflorum Seed Butter

Botanical Name: Theobroma grandiflorum

Quality Status

100% Pure Virgin Cupuaçu Butter

Naturally Derived

Non-GMO (supplier declaration, where applicable)

Cosmetic Grade

Food Grade (when supplied as food-grade material by the manufacturer)

Free from Preservatives

Free from Artificial Colors

Free from Artificial Fragrances

Vegan

Cruelty-Free (not tested on animals by Botanic Planet)

Palm Oil Free

Regulatory Information

Manufactured under Good Manufacturing Practices (GMP) by the original supplier.

Repackaged under sanitary conditions by Botanic Planet.

Suitable for cosmetic and personal care formulations.

Complies with applicable cosmetic raw material quality specifications at the time of packaging.

Not classified as hazardous under OSHA Hazard Communication Standard (29 CFR 1910.1200).

Not classified as dangerous goods for DOT, IATA, or IMDG transport.

Allergen Information

No known added allergens.

Derived from the seeds of Theobroma grandiflorum.

Individuals with sensitivities to botanical products should perform appropriate testing before use.

Animal Testing

Botanic Planet does not conduct animal testing on this product.

Heavy Metals

Manufactured under quality controls intended to minimize heavy metal contamination. Heavy metal levels, where tested by the manufacturer, comply with applicable cosmetic raw material specifications.

Microbiological Status

Due to its naturally low water activity, Cupuaçu Butter does not readily support microbial growth under normal storage conditions. Good manufacturing and handling practices should be followed to avoid contamination after opening.

Storage Conditions

Store in a cool, dry location.

Protect from direct sunlight.

Keep container tightly closed.

Recommended storage temperature: 15–25°C (59–77°F).

Shelf Life 36 months from the date of manufacture when stored under recommended conditions.

Country of Origin

Brazil
