

IFRA CERTIFICATE OF CONFORMITY

Issued by: Botanic Planet Canada Inc.
2 Bram Ct., Unit #3-4
Brampton, Ontario L6W 3R6
Canada

Product Information

Product Name: Iso E Super
INCI Name: Tetramethyl Acetyloctahydronaphthalenes
CAS No.: 54464-57-2
EC No.: 259-174-3

IFRA Compliance Statement

We hereby certify that the above-mentioned product complies with the requirements of the International Fragrance Association (IFRA) Standards, 51st Amendment, based on the information available from our raw material supplier and current IFRA Standards.

Iso E Super may be used in fragrance compounds intended for consumer products, provided the finished fragrance composition complies with the applicable IFRA Standards and any concentration limits specified for the relevant product category.

The responsibility for ensuring that the finished fragrance or cosmetic product complies with the applicable IFRA Standards rests with the manufacturer of the finished product.

Restricted Substances

Based on available supplier information, no additional IFRA-restricted substances are intentionally added beyond those inherent to the material. Users should evaluate finished formulations for compliance with the applicable IFRA Standards.

Intended Use

This material is intended for use as a fragrance ingredient in perfumes, cosmetics, personal care products, household products, candles, air care products, and other fragrance applications.

Authorized By
Quality Assurance Department
Botanic Planet Canada Inc.

Disclaimer. This certificate is issued in good faith based on information supplied by the manufacturer and current IFRA Standards available at the date of issue. It does not constitute a warranty, express or implied, regarding the suitability of the material for any particular application. Users are responsible for ensuring that their finished products comply with all applicable regulatory requirements, including IFRA Standards, cosmetic regulations, and local legislation governing the markets in which the products are sold.
