

MSDS

SECTION 1 – PRODUCT AND COMPANY IDENTIFICATION

Product Name: Jojoba Seed Oil Organic

INCI Name: Simmondsia Chinensis (Jojoba) Seed Oil

Botanical Name: *Simmondsia chinensis*

CAS No.: 61789-91-1

EC No.: 289-964-3

Country of Origin: Israel

Recommended Use: Cosmetic raw material; skin care, hair care and personal care formulations.

Supplier: Botanic Planet Canada Inc.

Address: 2 Bram Court, Unit #3, Brampton, Ontario, L6W 3R6, Canada

Emergency Telephone: (613) 996-6666 CANUTEC – 24 Hour Emergency

2. Hazard Identification

GHS Classification: Not classified as hazardous under normal conditions of intended cosmetic use.

Signal Word: None required.

Hazard Statements: None required.

Avoid unnecessary eye contact and prolonged exposure to spilled material. Spilled oil may create a slipping hazard.

3. Composition / Information on Ingredients

Ingredient	CAS No.	EC No.	Concentration
Simmondsia Chinensis (Jojoba) Seed Oil	61789-91-1	289-964-3	100%

4. First-Aid Measures

Eye Contact: Rinse cautiously with clean water for several minutes. Remove contact lenses if easy to do. Seek medical attention if irritation persists.

Skin Contact: Generally, not expected to cause irritation. Wash with soap and water if necessary.

Inhalation: Not normally an exposure concern at ambient temperature. Move to fresh air if discomfort occurs.

Ingestion: Rinse mouth. Do not induce vomiting. Seek medical advice if a significant quantity is swallowed or symptoms occur.

5. Fire-Fighting Measures

Suitable Extinguishing Media: Dry chemical, carbon dioxide (CO₂), foam or water fog.

Unsuitable Media: Avoid directing a strong water jet onto burning oil.

Special Hazards: Combustion may produce carbon monoxide, carbon dioxide and irritating fumes.

Firefighter Protection: Wear appropriate protective equipment and self-contained breathing apparatus where necessary.

6. Accidental Release Measures

Avoid contact with eyes. Spilled material may make floors slippery.

Contain the spill and absorb with sand, earth or another inert absorbent material. Collect into a suitable container for disposal. Clean the affected surface thoroughly.
Prevent large quantities from entering drains or waterways.

7. Handling and Storage

Handle according to good industrial hygiene practices.

Keep container tightly closed when not in use. Store in a cool, dry, well-ventilated area, protected from direct sunlight, excessive heat and sources of ignition.

8. Exposure Controls / Personal Protection

Occupational Exposure Limits: Not established.

Eye Protection: Safety glasses recommended for bulk handling.

Hand Protection: Protective gloves recommended for prolonged or bulk handling.

Respiratory Protection: Normally not required under ordinary conditions of use.

Hygiene: Wash hands after handling.

9. Physical and Chemical Properties

Property	Specification / Information
Appearance	Clear, colorless liquid
Odor	Characteristic neutral odor
Solubility in Water	Insoluble
Specific Gravity	0.863 – 0.873
Refractive Index	1.465 – 1.467
Peroxide Value	< 2 meq O ₂ /kg
Acid Value	< 1 mg KOH/g
Iodine Value	80 – 92%
Unsaponifiable Matter	45 – 55 g/100 g
Saponification Value	85 – 98 mg KOH/g

10. Stability and Reactivity

Stability: Stable under normal recommended storage and handling conditions.

Conditions to Avoid: Excessive heat, direct sunlight and prolonged exposure to air.

Incompatible Materials: Strong oxidizing agents.

Hazardous Decomposition Products: Carbon monoxide, carbon dioxide and smoke may be produced during combustion.

11. Toxicological Information

No product-specific toxicological test data were provided with the COA information.

Under normal conditions of intended cosmetic handling, significant adverse effects are not expected. Eye contact may cause temporary mechanical irritation.

12. Ecological Information

Specific ecological test data were not provided. Avoid uncontrolled release of large quantities into the environment.

13. Disposal Considerations

Dispose of product and contaminated packaging in accordance with applicable municipal, provincial and federal regulations. Do not discharge large quantities into drains or waterways.

14. Transport Information

Specific transport classification documentation was not provided with the COA information. A formal dangerous-goods classification should therefore be confirmed from the supplier's current SDS before shipping under regulated transport conditions.

15. Regulatory Information

Users are responsible for ensuring compliance with applicable Canadian and international regulations for their intended application and finished product.

16. Other Information

This MSDS has been prepared using the product identification and specifications supplied for Jojoba Oil Clear Organic. It is intended as general guidance for safe handling, storage and use of the raw material.

Disclaimer & Caution. Please refer to all relevant technical information specific to this product prior to use. The information contained in this document has been obtained from current and reliable sources. Botanic Planet Canada Inc. provides this information in good faith but makes no representation or warranty as to its completeness, accuracy, or suitability for any particular purpose. Recipients of this information are responsible for exercising their own independent judgment in determining the appropriateness of the product for their intended application. The purchaser and user of this product are solely responsible for ensuring compliance with all applicable local, provincial, national, and international laws, regulations, and the intellectual property rights of third parties relating to the use of the product. As the conditions and methods of storage, handling, processing, and use of this product are beyond the control of Botanic Planet Canada Inc., no express or implied warranty is made regarding the effects of such use, including any damage, injury, or results obtained. Botanic Planet Canada Inc. assumes no responsibility or liability arising from the use or misuse of this product. The liability of Botanic Planet Canada Inc., if any, is limited solely to the purchase price of the goods supplied and shall not include any indirect, incidental, special, punitive, or consequential damages or losses. Botanic Planet Canada Inc. shall not be liable for any errors, omissions, or delays in the information contained in this document or for any actions taken in reliance upon such information. The purchaser and user are responsible for conducting appropriate testing, including identity, quality, stability, compatibility, safety, and regulatory compliance testing, prior to incorporating the product into any finished product or commercial application. Where applicable, claims such as food-grade, pharmaceutical-grade, cosmetic-grade, vegan, cruelty-free, gluten-free, allergen-free, or suitable for ingestion should not be made unless supported by appropriate product-specific documentation and applicable regulatory requirements. In the event of any dispute arising from the sale or use of this product, the parties agree that the exclusive jurisdiction and venue shall be the courts of the Province of Ontario, Canada.
