

Material Safety Data Sheet

SECTION 1: Product and Supplier Identification

Product Identifier: Lavender Hydrosol Gel

INCI/ Name: Mixture

Product Use: Massage/Cosmetic and Skincare

Origin: Canada

Supplier: Botanic Planet Canada Inc.

Address: 2 Bram Court Unit # 3 Brampton Ontario L6W 3R6 Canada

Phone: 905-455-4444

Email: info@botanicplanet.ca

Emergency Contact: (613)-996-6666 CANUTEC 24 HOUR EMERGENCY

SECTION 2: Hazard Identification

GHS Classification

Not classified as hazardous under the Globally Harmonized System (GHS) when used as intended.

Signal Word

None

Hazard Statements

Not classified as hazardous.

Precautionary Statements

- For external use only.
- Avoid contact with eyes.
- Do not apply to broken or irritated skin.
- Keep out of reach of children.
- If irritation develops, discontinue use.

SECTION 3: Composition / Information on Ingredients

Ingredient	INCI Name	CAS Number	Concentration
Lavender Hydrosol	Lavandula Angustifolia Hydrosol	90063-37-9	Proprietary blend
Aloe Vera Juice	Aloe Barbadense Leaf Juice	94349-62-9	Proprietary blend
Glycerin	Glycerin	56-81-5	Proprietary blend
Hyaluronic Acid	Sodium Hyaluronate	9067-32-7	Proprietary blend
Panthenol	Panthenol	81-13-0	Proprietary blend

Ingredient	INCI Name	CAS Number	Concentration
Allantoin	Allantoin	97-59-6	Proprietary blend
Thickener	Acrylates/C10-30 Alkyl Acrylates Cross polymer	9003-01-4	Proprietary blend
Preservative	Geogard® ECT (blend)	Mixture	Proprietary blend
Cucumber Extract	Cucumis Sativus Fruit Extract	91770-03-3	Proprietary blend

SECTION 4: First Aid Measures

Eye Contact

Flush immediately with clean water for several minutes. Seek medical advice if irritation persists.

Skin Contact

Product is intended for topical use. If irritation occurs, discontinue use and wash with water.

Inhalation

Not expected to present an inhalation hazard under normal conditions.

Ingestion

Rinse mouth with water. Do not induce vomiting. Seek medical advice if large amounts are swallowed or if symptoms occur.

SECTION 5: Fire Fighting Measures

Suitable Extinguishing Media

- Water spray
- Dry chemical
- Carbon dioxide (CO₂)
- Foam

Specific Hazards

Product is water-based and is not expected to present a significant fire hazard. Combustion may produce carbon oxides and irritating fumes.

Protective Equipment

Use self-contained breathing apparatus for large fires.

SECTION 6: Accidental Release Measures

- Absorb with inert material.
 - Clean spill with water.
 - Prevent large quantities from entering drains or waterways.
 - Dispose of waste according to local regulations.
-

SECTION 7: Handling and Storage

Handling

- Avoid contamination during use.
- Use clean dispensing equipment.
- Avoid prolonged exposure to excessive heat.

Storage

Store in tightly closed containers in a cool, dry place away from direct sunlight.

Recommended Storage Temperature: 15–25°C

SECTION 8: Exposure Controls / Personal Protection

Engineering Controls

No special ventilation normally required.

Personal Protective Equipment

Eyes: Safety glasses recommended during manufacturing.

Hands: Protective gloves recommended during bulk handling.

Respiratory Protection: Not normally required.

SECTION 9: Physical and Chemical Properties

Appearance Clear to slightly cloudy gel

Color Colorless

Odor Characteristic lavender aroma

Physical State Gel

pH 5.0–6.0

Solubility Completely dispersible in water

SECTION 10: Stability and Reactivity

Stability

Stable under normal storage conditions.

Conditions to Avoid

- Freezing
- Excessive heat
- Direct sunlight

Incompatible Materials

Strong oxidizing agents.

Hazardous Decomposition Products

Carbon monoxide and carbon dioxide during combustion.

SECTION 11: Toxicological Information

Expected to have low acute toxicity when used as intended.

Possible effects:

- Mild eye irritation upon direct contact.
- Sensitive individuals may experience skin irritation from botanical ingredients.

SECTION 12: Ecological Information

Avoid large releases into the environment.

No significant environmental hazards are expected during normal use.

SECTION 13: Disposal Considerations

Dispose of product and packaging in accordance with applicable local, regional, and national regulations.

SECTION 14: Transport Information

Not regulated as dangerous goods for road, rail, sea, or air transport under normal shipping conditions.

SECTION 15: Regulatory Information

This cosmetic product should be manufactured and marketed in accordance with applicable cosmetic regulations in the countries where it is sold.

SECTION 16: Other Information

Shelf Life: Refer to product specifications or stability data.

Storage: Store in tightly closed containers in a cool, dry location away from direct sunlight.

This product is Niacinamide (Vitamin B3) and is manufactured according to applicable quality standards and specifications. To the best of our knowledge, this product is a high-purity material and does not contain intentional additives, contaminants, or adulterants. The information, analysis, and statements provided herein represent the most current and complete technical information available to Botanic Planet Canada Inc. Users are advised to review all relevant technical data, specifications, and regulatory requirements related to this product prior to use. The information contained in this Safety Data Sheet (SDS) has been obtained from current and reliable sources and is provided for guidance regarding the safe handling, storage, and use of Niacinamide. As the handling and application of this product by users is beyond the control of Botanic Planet Canada Inc., no express or implied warranty or guarantee is made regarding the effects, results, suitability, or safety of any particular use, including any potential damages or injuries arising from misuse or improper application. Botanic Planet Canada Inc. expressly disclaims responsibility for any improper, unintended, or unauthorized use of this product. No statement contained herein should be interpreted as a recommendation, endorsement, or guarantee for any specific application. The liability of Botanic Planet Canada Inc. is limited solely to the value of the goods supplied and shall not include any indirect, incidental, or consequential losses. In the event of any dispute, the customer agrees that jurisdiction shall be limited to the Province of Ontario, Canada.
