

REGULATORY & QUALITY INFORMATION

Regulatory Status

This product is manufactured using naturally derived ingredients and is intended for external cosmetic use only. It should be labeled, and marketed in accordance with the applicable cosmetic regulations of the country in which it is sold.

Canada

Cosmetic products are subject to the Food and Drugs Act and the Cosmetic Regulations administered by Health Canada. A Cosmetic Notification Form (CNF) should be submitted to Health Canada, where required. Products must comply with applicable ingredient restrictions and labeling requirements.

United States

Cosmetic products are regulated by the U.S. Food and Drug Administration (FDA) under the Federal Food, Drug, and Cosmetic Act (FD&C Act) and the Modernization of Cosmetics Regulation Act of 2022 (MoCRA), as applicable. Manufacturers, processors, packers, and distributors are responsible for ensuring product safety, proper labeling, and compliance with applicable FDA requirements.

European Union

Cosmetic products marketed in the European Union must comply with Regulation (EC) No. 1223/2009 on Cosmetic Products, including applicable safety assessment, notification, labeling, and Good Manufacturing Practice (GMP) requirements.

Quality Standards

This product is manufactured under a quality management system designed to promote product consistency, safety, and traceability.

Typical quality parameters include:

Parameter	Typical Specification
Appearance	Dark brown to black solid or paste
Odor	Characteristic natural smoky odor
pH (10% Solution)	8.5–10.5
Moisture Content	≤15%

Microbiological Quality Meets applicable cosmetic microbiological limits
Heavy Metals Within applicable regulatory limits
Foreign Matter None detected

Good Manufacturing Practice (GMP)

Where applicable, this product is manufactured in accordance with recognized cosmetic Good Manufacturing Practices to help ensure consistent quality and product safety.

Animal Testing

This product is not intentionally tested on animals by Botanic Planet Canada Inc., except where required by applicable law.

GMO Status

The ingredients used in this product are not intentionally derived from genetically modified organisms (GMOs). However, no specific GMO testing is routinely performed unless requested.

Allergens

This product contains naturally derived vegetable oils and butters. Individuals with known sensitivities to botanical ingredients should perform a patch test before use.

BSE/TSE Statement

This product contains no ingredients of animal origin and therefore presents no known risk related to Bovine Spongiform Encephalopathy (BSE) or Transmissible Spongiform Encephalopathy (TSE).

Vegan Status

Formulated using plant-derived ingredients only. No animal-derived ingredients are intentionally added.

Shelf Life

36 months from the date of manufacture when stored in the original unopened packaging under recommended storage conditions.

Storage Conditions

Store in a cool, dry, well-ventilated location away from direct sunlight, excessive heat, and moisture. Keep the container tightly closed when not in use.

Traceability

Each production batch is assigned a unique batch number to ensure full manufacturing and quality traceability.

Intended Use

For external cosmetic use only as a skin cleansing product. Not intended to diagnose, treat, cure, or prevent any disease.

Disclaimer. The regulatory information provided herein is offered as general guidance and does not constitute legal or regulatory advice. Customers are responsible for ensuring that the finished product, its labeling, marketing claims, and distribution comply with all applicable laws and regulations in the jurisdictions where the product is sold. Product specifications are subject to change without notice as part of ongoing quality improvement.
