

Material Safety Data Sheet

SECTION 1: Product and Supplier Identification

Product Identifier: Smoke Liquid Oil Blend

Supplier: Botanic Planet Canada Inc.

Address: 2 Bram Court Unit # 3 Brampton Ontario L6W 3R6 Canada

Phone: 905-455-4444

Email: info@botanicplanet.ca

Emergency Contact: (613)-996-6666 CANUTEC 24 HOUR EMERGENCY

SECTION 2: Hazard Identification

GHS Classification

Classification depends on the specific composition of the blend and should be verified through ingredient review.

Potential Hazards:

May cause skin irritation.

May cause eye irritation.

May cause allergic skin reaction in sensitive individuals.

Harmful to aquatic life with long-lasting effects if released in large quantities.

Signal Word

Warning

Precautionary Statements

Avoid contact with eyes and skin.

Wear suitable protective gloves when handling large quantities.

Keep out of reach of children.

Avoid release into the environment.

Wash hands thoroughly after handling.

SECTION 3: Composition / Information on Ingredients

Product Type: Proprietary Aromatic Blend

Component	CAS Number	Concentration (%)
-----------	------------	-------------------

Natural Aromatic Ingredients	Proprietary	100%
------------------------------	-------------	------

Hazardous Components	Not Classified at Supplied Concentration*	N/A
----------------------	---	-----

*Composition may contain naturally occurring fragrance constituents.

Product Use: Fragrance ingredient, aromatic blend, perfumery, incense formulations, candles, soaps, home fragrance products, and cosmetic applications.

SECTION 4: First-Aid Measures

Inhalation

Move affected person to fresh air. Seek medical attention if symptoms persist.

Skin Contact

Wash thoroughly with soap and water. Remove contaminated clothing. Seek medical advice if irritation develops.

Eye Contact

Flush cautiously with water for at least 15 minutes. Remove contact lenses if present. Seek medical attention if irritation persists.

Ingestion

Rinse mouth with water. Do not induce vomiting unless directed by medical personnel. Seek medical attention if unwell.

SECTION 5: Fire-Fighting Measures

Suitable Extinguishing Media

Dry chemical

Carbon dioxide (CO₂)

Foam

Water spray

Specific Hazards

Combustible liquid. Burning may produce carbon monoxide, carbon dioxide, and other irritating fumes.

Protective Equipment

Wear self-contained breathing apparatus and full protective equipment.

SECTION 6: Accidental Release Measures

Eliminate ignition sources.

Absorb spill with inert material such as sand or vermiculite.

Prevent entry into drains, waterways, and soil.

Dispose of waste according to local regulations.

SECTION 7: Handling and Storage

Handling

Avoid direct contact with eyes and skin.

Use in well-ventilated areas.

Follow good industrial hygiene practices.

Storage

Store in tightly closed containers.

Protect from heat, sunlight, and ignition sources.

Store in a cool, dry location.

SECTION 8: Exposure Controls / Personal Protection

Engineering Controls

General ventilation recommended.

Personal Protective Equipment

Eye Protection: Safety glasses recommended.

Hand Protection: Chemical-resistant gloves recommended for prolonged handling.

Skin Protection: Appropriate protective clothing as required.

Respiratory Protection: Not normally required under normal conditions of use.

SECTION 9: Physical and Chemical Properties

Property	Value
----------	-------

Appearance Clear to Slightly Hazy Liquid
Color Amber to Dark Amber
Odor Smoky, Resinous, Incense-Like
Physical State Liquid
Relative Density 0.900 – 1.050
Refractive Index 1.450 – 1.550
Solubility Soluble in Alcohol and Fragrance Bases
Flash Point > 60°C (estimated)
Viscosity Pourable Liquid

SECTION 10: Stability and Reactivity

Stability

Stable under recommended storage conditions.

Conditions to Avoid

Excessive heat

Direct sunlight

Open flames

Strong oxidizing agents

Hazardous Decomposition Products

Carbon monoxide, carbon dioxide, smoke, and other combustion products.

SECTION 11: Toxicological Information

Likely Routes of Exposure

Skin contact

Eye contact

Inhalation

Ingestion

Potential Effects

Mild skin irritation

Eye irritation

Possible sensitization in susceptible individuals

No toxicological testing has been conducted on the finished blend.

SECTION 12: Ecological Information

Avoid uncontrolled release into the environment.

Product may be harmful to aquatic organisms in concentrated form.

Biodegradability depends on individual ingredients.

SECTION 13: Disposal Considerations

Dispose of contents and containers in accordance with applicable local, provincial/state, and federal regulations.

SECTION 14: Transport Information

TDG (Canada)

Not regulated as dangerous goods under normal transport conditions.

DOT (USA)

Not regulated.

IMDG

Not regulated.

IATA

Not regulated.

*Transport classification should be verified based on actual blend composition and flash point.

SECTION 15: Regulatory Information

WHMIS 2015: Classification dependent on composition.

REACH: Subject to applicable regulations.

IFRA: Use according to current IFRA Standards where applicable.

California Proposition 65: Review required based on final composition.

SECTION 16: Other Information

Issue Date: June 4, 2026

Revision Number: 1.0

Prepared By: Botanic Planet Canada Inc.

This product is a 100% pure and natural. It does not contain any artificial ingredients or adulteration of any kind to the best of our knowledge and specifications. The analysis and statements herein constitute the most complete information available to Botanic Planet Canada Inc. Please refer to all relevant technical information specific to the product, prior to use. This information contained in this material safety Data sheet is obtained from current and reliable sources. As an ordinary or otherwise user(s) of this product is outside the control of Botanic Planet Canada Inc., no representation or warranty, expressed or implied is made as to the effect(s) of such use (s) (including damages or injury) or any obtained. Botanic Planet Canada Inc. expressly disclaims responsibility as to the ordinary or otherwise uses. Furthermore, Botanic Planet Canada Inc. makes no claims as to the fitness for any use, and you should consider nothing container herein as a recommendation.
